

June 4, 2012

Society Of Broadcast Engineers  
Chapter 59

Minutes of the May 10, 2012 Meeting

The May meeting of Chapter 59 of the **Society of Broadcast Engineers** was held May 10, 2012 at Zarda Barbeque; 11931 West 87<sup>th</sup>; Lenexa, Kansas. There were 18 in attendance. Mike Rogers, chapter chairman, was in charge.

Rogers opened the business meeting at 12:04PM. Ben Weiss read the minutes of the April meeting. The motion to accept the minutes was by Kirk Chestnut and the second was by Steve Hendrix.

John Gray, chapter program chairman, indicated that the June meeting would be an open forum. A business item on the agenda will be annual election of chapter officers for the coming year. The July program will be presented by ENCO.

Mike Rogers commented on the potential use of single side band modulation on FM carriers. This is in the experimental stage and allows narrow bandwidth operation of the L-R subcarrier therefore reducing the effects of multipath and protecting RDS & other subcarriers.

There was nothing new to report on EAS for the Kansas City area.

There was no new or old business.

The motion to adjourn was by Robin Cross and the second by Steve Hendrix.

Joe Talbot of Telos/Omnia/Axia presented the program on the latest in IP-telephony. The presentation covered IP-based radio/TV station telephony products.
