Society of Broadcast Engineers
Chapter 59

Minutes of the October 9, 2013 Meeting

The October meeting of Chapter 59 of the **Society of Broadcast Engineers** was held October 9, 2013 at Don Chilito's; 7017 Johnson Drive; Mission, Kansas. There were 11 in attendance. John Beck, chapter vice chairman, was in charge

Beck opened the business meeting at 12:00PM and he asked Ben Weiss to read the minutes of the September meeting. The motion to accept the minutes was by John Gray and the second by Chriss Scherer. The motion passed.

Regarding future programs, John Gray indicated that a program for the November meeting has yet to be arranged.

Chriss Scherer, chapter certification chairman, stated that the next local cert exams will be given February 7-17 and the application deadline is December 31st. Chriss is willing to proctor an exam almost anytime so contact him if you are interested in scheduling an exam. Chriss also mentioned that the national SBE convention will be October 29 & 30 in Indianapolis, Indiana. The annual SBE business meeting will be live streamed on the web Wednesday October 30th at 3PM CDT.

Kirk Chestnut, Kansas City Metro EAS chairman said that there was nothing new to report regarding EAS.

There was no old or new business.

The motion to adjourn was by Chriss and the second by Steve Hendrix.

The program was presented by John Gray. He discussed some fundamentals of quantum physics by giving an overview of the famous "double slit" experiment and what it reveals about the universe.
