Society of Broadcast Engineers
Chapter 59

Minutes of the September 11, 2019 Meeting

The September meeting of Chapter 59 of the **Society of Broadcast Engineers** was held September 11, 2019 at the Airline History Museum; 201 NW Lou Holland Drive; Kansas City, Missouri. There were 10 in attendance. Mike Rogers, chapter chairman, was in charge.

Rogers opened the business meeting at 12:15PM. He asked secretary/treasurer Ben Weiss to read the minutes of the August meeting. The motion to accept the minutes was by Ed Treese and the second by Robin Cross. The motion passed.

John Grey, program chairman, said the October meeting will be held at the Sprint Center and the program will emphasize the 5G Experience. The location for lunch will be determined and announced prior to the meeting.

Ron Rockrohr, certification chairman, indicated that the next certification exams will be given locally November 1-11 and the deadline to sign up is September 24th.

There was no old business.

New business:

Mike presented John with an award for being selected chapter engineer of the year.

There was considerable discussion about spectrum problems involved with implementing 5G service and health concerns.

It was noted that Kirk Chestnut, Kansas City Metro EAS chairman, has started working at channel 41. It is assumed that he will continue his EAS chairmanship duties as before.

The motion to adjourn was by Steve Hendrix and the second by Dave Buell.

Lunch was provided by the chapter. The program consisted of tour of the Airline History Museum.
