Society of Broadcast Engineers
Chapter 59

Minutes of the July 8, 2020 Meeting

The July meeting of Chapter 59 of the **Society of Broadcast Engineers** was held July 8, 2020 on line via Zoom. There were 10 in attendance. Mike Rogers, chapter chairman, was in charge.

Rogers opened the business meeting at 12:00 noon. He asked secretary Ben Weiss to read the minutes of the June meeting. The motion to accept the minutes was by Dave Buell and the second by John Gray. The motion passed by acclamation.

John Gray indicated that there are no future programs planned right now.

There were no other committee reports.

There was no old or new business.

The motion to adjourn was by Robin Cross and the second by Dave Buell. The motion passed by acclamation.

The program was presented by Steve Moreen, of Dielectric, who presented a virtual tour of the Dielectric manufacturing plants in Raymond and Lewiston, ME, a short explanation on how UHF TV slot antennas work, and information on special FM antenna bay spacing to maintain both aperture efficiency and provide a null in the RF radiation at the tower.
