Society of Broadcast Engineers
Chapter 59

Minutes of the September 9, 2020 Meeting

The September meeting of Chapter 59 of the **Society of Broadcast Engineers** was held September 9, 2020 on line via Zoom. There were 11 in attendance. Mike Rogers, chapter chairman, was in charge.

Rogers opened the business meeting at 12:00 noon. He asked secretary Ben Weiss to read the minutes of the July meeting. The motion to accept the minutes was by Ed Treese and the second by Robin Cross. The motion passed by acclamation.

There was no old business.

There was a lengthy discussion about the ongoing C Band dish repack process. It seems that most stations are opting to let the lump sum payment deadline for individual station repack expenses go by and wait for their dish remedial efforts take place.

Chriss Scherer brought us up to date on the annual SBE national meeting which will be available on line for members to view.

The motion to adjourn was by Robin Cross and the second by Kirk Chestnut. The motion passed by acclamation.

The program was presented by John Beck of Bott Radio Network. He showed a video that explained his efforts to recruit young people into a career field of broadcast engineering.
