Society of Broadcast Engineers
Chapter 59

Minutes of the December 8, 2022 Meeting

The December meeting of Chapter 59 of the **Society of Broadcast Engineers** was held December 8, 2022 in the Logan Conference Room of the Johnson County Central Resource Library; 9875 West 87th Street, Overland Park, Kansas. Chriss Scherer, past chapter chairman, was in charge. There were 9 in attendance.

Scherer called the meeting to order at 1:35 PM. He asked secretary Ben Weiss to read the minutes of the November meeting. The motion to accept the minutes was by Mike Rogers and the second by Greg Best. The motion carried by acclamation.

Mike turned our attention to recent FCC cybersecurity matters related to EAS. He read the FCC notice that mentioned the vulnerability of the Dasdec EAS unit. Also, recent EAS changes were addressed.

Chriss Scherer mentioned a couple of Webinars that will be available soon. You can check the national website if you are interested.

John Gray, chapter program chairman, stated that the monthly chapter meetings will change back to the second Wednesday each month beginning in January. The meeting place will be announced prior to each month's meeting. Right now there are no programs scheduled.

There was no new business.

The motion to adjourn was by Mike and the second by John.

The program was presented by Dan McCabe of Complex Broadcast Fiber Optic Solutions. He discussed details on fiber optic types, applications, trouble shooting and testing.
