Society of Broadcast Engineers
Chapter 59

Minutes of the February 10, 2021 Meeting

The February meeting of Chapter 59 of the **Society of Broadcast Engineers** was held February 10, 2021 on line via Zoom. There were 10 in attendance. John Gray, chapter program chairman, was in charge.

Gray opened the business meeting at 12:00 noon. He asked secretary Ben Weiss to read the minutes of the January 13 meeting. The motion to accept the minutes was by Chriss Scherer and the second by Steve Hendrix. The motion passed by acclamation.

There was no old business.

Chapter program chairman, John Gray mentioned that the March meeting will be one day earlier than usual on March 9th. The program about STLs for video and audio will be presented by Gates Air.

Chriss related that there would be a bonus Zoom meeting February 25 at 1:00 PM that, along with chapter 59, chapters 3 and 55 are invited to attend. The meeting will consist of a special virtual tour of the Telefunken Elektroakustik facility in South Windsor, CT.

The motion to adjourn was by Robin Cross and the second by Chriss Scherer.

The program was presented by Benjamin Nemser and Daniel Ritts of Nema Electronics. Their discussion was related to fiber optics for HD broadcast. Also, discussed were the associated connectors and interface devices to make it all work.
