Society of Broadcast Engineers  
Chapter 59

Minutes of the March 9, 2021 Meeting

The March meeting of Chapter 59 of the **Society of Broadcast Engineers** was held March 9, 2021 on line via Zoom. There were 8 in attendance. Dave Buell, chapter member, was in charge.

Buell opened the business meeting at 12:04 PM. As the secretary was not in attendance and the minutes from last month were not available, it was decided that the minutes and treasurers report would be reviewed at the next chapter meeting.

Programs coordinator John Gray reported that there are currently no programs on the schedule. Greg Best suggested that he would be interested in seeing a presentation on using drones for broadcast.

Chris Castro, frequency coordinator, reported that the last season went along fairly easily. He also mentioned that ATSC 3 is coming soon to the KC area with channel 41 being used for the ATSC 3 transmitter.

Chriss Scherer gave a summary of upcoming national SBE events. There are webinars scheduled for March 18<sup>th</sup> (Cyber Security) and March 25<sup>th</sup> (IP Networking Part 3). The next certification deadline is April 16<sup>th</sup> to sign up for the June exam.

There was no old business.

Dave Buell suggested that discussion of chapter elections be considered for the next monthly meeting.

The motion to adjourn was by Greg Best and the second by Chirss Scherer. The SBE business portion of the meeting was adjourned at 12:13 PM.

A program about STL for both Video and Audio was presented by Nick VanHaster and Tony Gervasi from GatesAir.
