Society of Broadcast Engineers  
Chapter 59

Minutes of the April 14, 2021 Meeting

The April meeting of Chapter 59 of the **Society of Broadcast Engineers** was held April 14, 2021 on line via Zoom. There were 10 in attendance. Mike Rogers, chapter chairman, was in charge.

Rogers opened the business meeting at 12:00 noon. He asked secretary Ben Weiss to read the minutes of the February 10th meeting. The motion to accept the minutes was by Greg Best and the second by Dave Buell. The motion passed by acclamation.

There was no old business.

There was a lengthy discussion about chapter elections initiated by Dave Buell. Mike Rogers explained that sometimes work prevented him from participation in the meetings so someone else would have to step in and fill his meeting leadership role. Chapter vice chairmen, John Beck, was absent from the meeting so his continued participation as vice chairman was undetermined. Other chapter positions seemed to be solid. As a side bar to the election issue was the discussion about continuing to meet monthly by zoom or attempt to resume meetings in person. Some were quite concerned about maintain social distancing and wearing of masks others were not. The motion of seeking advice from the national SBE office about resuming chapter meetings in person was considered. Nothing was resolved with either issue.

The motion to adjourn was by John Gray and the second by Steve Hendrix.

There was no formal program but an open form on engineering topics.
