Society of Broadcast Engineers
Chapter 59

Minutes of the July 27, 2022 Meeting

The July meeting of Chapter 59 of the **Society of Broadcast Engineers** was held July 27, 2022 at the **Next Big Thing Media Tour** in the parking lot of KMBZ radio; 7000 Squibb Road, Mission, KS. Ed Treese, chapter vice chairman, was in charge. There were seven in attendance.

Treese opened the business meeting at 11:50 AM. He asked secretary Ben Weiss to read the minutes of the June 9th meeting. The motion to accept was by Chriss Scherer and the second by Mike Rogers. The motion passed by acclamation.

John Gray, chapter program chairman, said he is trying to secure programs for future meetings. Also, he is looking to setup future meetings in the Logan Conference Room of the Johnson County Central Resource Library. Using that facility will necessitate moving the chapter monthly meetings to the second Thursday of each month. That change did not seem to disturb anyone.

Chriss Scherer brought us up to date with national SBE news including the fact that the annual compensation survey is going on and the results will be available soon on the National Website. Also, the election of national officers is under way. Finally, the national SBE convention will be held September 28-29 in Syracuse, NY.

Due to the high temperature and poor attendance there was no old business or new business.

The motion to adjourn was by Robin Cross and the second by John Gray.

After adjournment individuals were able to inspect the equipment on display by the **Next Big Thing Media Tour** participants.
