Society of Broadcast Engineers
Chapter 59

Minutes of the November 10, 2022 Meeting

The November meeting of Chapter 59 of the **Society of Broadcast Engineers** was held November 10, 2022 in the Logan Conference Room of the Johnson County Central Resource Library; 9875 West 87th Street, Overland Park, Kansas. Steve Hendrix, chapter chairman, was in charge. There were ten in attendance.

Hendrix called the meeting to order at 12:35 PM. He asked secretary Ben Weiss to read the minutes of the October meeting. The motion to accept the minutes was by John Gray and the second by Dave Buell. The motion carried by acclamation.

Chriss Scherer mentioned a couple of Webinars that will be available soon. One detailing FCC compliance and the other cybersecurity. You can check the national website if you are interested.

Chapter members are encouraged to take the SBE Strategic Planning survey now available on line at surveymonkey.com/r/SBEStrategy.

Among the events held during the SBE National Meeting, September 28 & 29 in Liverpool, NY was the annual membership meeting. That meeting is now available for replay on the SBE YouTube Channel.

Kirk Chestnut, Chapter EAS chairman, reported nothing new on EAS this time.

There was no other new business.

Old business consisted of further discussion of monthly meeting places and day and time of meetings. It was decided to switch back to the second Wednesday of each month; place and time to be determined starting with the January meeting.

The motion to adjourn was by Dave and the second by Kirk.

The program was presented by John Pfankuch of Heartland Video Systems. He presented an overview of ATSC 3.0 and associated technologies.
