Society of Broadcast Engineers
Chapter 59

Minutes of the February 28, 2024 Meeting

The February meeting of Chapter 59 of the **Society of Broadcast Engineers** was held February 28, 2024 at Zarda Barbecue 11931 West 87th St; Lenexa, KS. Ed Treese, chapter vice chairman, was in charge. There were eleven in attendance.

Treese called the meeting to order at 12:16 PM. He asked secretary Ben Weiss to read the minutes of the January meeting. The motion to accept the minutes was by Dave Buell and the second by Karl Lind. The motion carried by acclamation.

Kirk Chestnut, Chapter EAS chairman, reported that the most recent upgrade due to be installed in stations Sage EAS Endecs by March 11th has not presented any operational problems. Some stations were worried about audio level compatibility issues with the new upgrade software however none have been reported.

John Gray, chapter program chairman, told us the March meeting is coming up in a few weeks, for that we will be doing a tour of Alpha Antenna, a manufacturer of antennas used for military and amateur radio located in Pleasant Hill, MO. Further than that he doesn't have any other formal programs scheduled.

The motion to adjourn was by Kirk and the second by John.

The program was presented by John Lynch of Broadcast Supply World Wide. He introduced Michael Pappas, Vice President Business Development of Orban who displayed the most recent Optimods for AM and FM audio processing.
