Society of Broadcast Engineers
Chapter 59

Minutes of the October 9, 2024 Meeting

The October 9 meeting of Chapter 59 of the **Society of Broadcast Engineers** was held October 9, 2024 at Chili's Resturant; 7001 West 119th Street; Overland Park, Kansas. Ed Treese chapter Vice Chairman was in charge. There were 7 in attendance.

Treese called the meeting to order at 11:53 AM. He asked Ben Weiss, Secretary/treasurer to read the minutes of the September meeting. The motion to accept the minutes was by Dave Buell and the second by Chris Prewitt. The motion carried by acclamation.

John Gray, program chair, told us that the November meeting will be held at the Blue Valley Branch of the Johnson County Public Library. The speaker will be from the Overland Park police department and the topic will be site security.

Chriss Scherer gave the notes from National SBE. He reported the SBE held its National Meeting in Madison, WI, September 10-11. The event was held in conjunction with the Midwest Regional Broadcasters Clinic. The meeting was recorded and is available on the SBE YouTube channel.

The SBE Board of Directors held a meeting on Sept. 10. The Board approved a By-Laws change prepared by the SBE By-Laws Committee.

The SBE is planning an SBE Ennes Workshop to be held in Las Vegas at the NAB Show. While details are being set, the two-track event is being planned to begin the Friday before the NAB Show sessions begin.

As usual, there are several Webinars by SBE coming up in the not too distant future. You can check them out on the SBE national website.

Ed mentioned that the recently revised edition of the AM Station Checklist is available through the SBE national office.

The election of officers for chapter 59 was held.

Ed Treese was elected by unanimous vote to be chapter chairman.

Two members were unanimously elected to be co vice chairman: Chris Prewitt and Karl Lind.

Ben Weiss was elected by unanimous vote to continue as Secretary/Treasurer.

Hearing no further business, new or old, a motion to adjourn was made by John Gray, seconded by Dave Buell. Passed unanimously.

There was no formal program, but there was lively discussion about various engineering topics.
