The SBE is administering a Certification exam at the 2025 NAB Show. Application deadline is Feb. 21. The next local exam window is in June. Application deadline is April 13.

The meeting was adjourned at 12:11 p.m.

The program was presented by Dave Buell, with some assistance from John Gray. They both have taken photos all around the metro, often timing their location visits with sunrise, sunset, or the location of the Moon in the sky. With various lenses and editing software, they have produced some stunning photos of parts of the city. They provided a photo expose and detailed what was involved in capturing each specific photo, such as equipment, optical settings, location identification apps and photo editing software.
