

Society of Broadcast Engineers, Chapter 59

Minutes of the January 14, 2026, Meeting

On January 14, 2026, SBE Chapter 59 met at Chili's restaurant, 7001 W 119th St, Overland Park, KS 66209. Chriss Scherer, Treasurer, presided over the gathering of three members and one guest.

Scherer called the meeting to order at 12:41 p.m. The reading and approval of the December meeting minutes and current financial report were deferred to the next meeting.

Kirk Chestnut, chapter EAS chair, indicated he had nothing to report.

John Gray, chapter programs chair, indicated there is no program currently scheduled for February. He is working on setting up a KCPT transmitter site visit for the March meeting.

There was a short discussion about the town hall-style meetings with station managers the chapter has hosted at two television facilities. It was agreed that these were going well and there was a desire to do more. Kirk Chestnut indicated he will continue to arrange these in the future.

A motion to adjourn the meeting was made by John Gray, and seconded by Kirk Chestnut. This passed by acclamation and the meeting was adjourned at 12:48 p.m.

There was no formal program, but attendees enjoyed a lively discussion of various engineering topics.
